

General Terms

The provision of information in this website is not based on your individual circumstances and should not be relied upon as an assessment of suitability for you of a particular token, product, service, or transaction. It does not constitute investment advice, tax advice or legal advice and Carats.io makes no recommendation as to the suitability of any of the tokens, products, services or transactions mentioned herein.

Carats.io is not licensed nor authorized by any financial regulator and shall not be considered as, and may not be used in connection with, offering to sell or the solicitation of an offer to buy tokens in any jurisdiction in which such offer or solicitation is unlawful.

The information included in this website is intended to “Accredited Investors” only, as this term is defined in the jurisdiction in which they reside (or such similar term in such jurisdictions financial regulations). Non-Accredited investors may not partake in any tokens, products, services or transactions mentioned herein or offered by Carats.io
